December 4, 2001

Dear Harold and Lil,

My lady friend, Becky, and I, are planning to stop for a visit this Saturday, December 8, between 2:00 and 3:00 in the afternoon. We will be on our way home from a presentation of Handel's Messiah at the National Cathedral. I hope this finds both of you comfortable and able to get out some. See you Saturday.

Sincerely,

Dave Keck
